

## Call for Workshop Proposals

TABPHE 37<sup>th</sup> Annual State Conference  
“**The Power of Change: Transforming Higher Education**”  
March 4-6, 2010 • Omni Corpus Christi Hotel • Corpus Christi, Texas

The success of prior conferences has always depended on you! We encourage you to submit a workshop proposal so that your colleagues may benefit from your knowledge and insight. Preferential treatment will be given to co-presenters, group presentations and panels.

**Proposals must be received by December 31, 2009.** The limited number of workshop opportunities may necessitate an earlier deadline, so please submit your proposal as soon as possible. The selected presenters will be notified by January 22, 2010. Proposals will be judged on content, clarity, and reflection of the conference theme. Time allotted for each workshop is 1 hour and 15 minutes, including questions & answers. Overhead projector and screen will be provided for each presentation. The presenter must provide all other audiovisual equipment and materials. We strongly encourage all presenters to provide handouts. **All conference presenters must register for the conference.**

We invite you to submit your ideas, inspiration and innovative presentations that reflect the essence of this year's conference theme, “**The Power of Change: Transforming Higher Education.**” Please submit your proposal on one of the following (or other) topics:

- Mentoring and effective academic advising
- Developing leadership in the workplace
- Motivation and support staff issues
- Maximizing resources
- Improving access to higher education
- Uses of technology in higher education
- Social networks in higher education
- Issues facing faculty in academia
- Communication and teambuilding
- Distance learning in the 21<sup>st</sup> century
- Diversity and multiculturalism
- Recruitment and retention issues
- Research findings
- Plight of Historically Black Colleges/Universities
- Continuing education
- Economics and the global economy
- Conflict management and resolution
- Parent involvement in education of students
- Professional Development
- African-American male issues, research and solutions
